PROFILE

Currently, I am pursuing a Ph.D. in Engineering Sciences with a specialization in Mathematical Modeling, deepening my knowledge in modeling and mathematical analysis applied to real-world problems. My goal is to actively contribute to research and solutions that provide concrete benefits to society and industry, fostering international collaboration and knowledge exchange.

EDUCATION

Ph.D. in Engineering Sciences, Mathematical Modeling specialization Universidad de Chile, Faculty of Physical and Mathematical Sciences.	<i>2025 - Present</i>
Master of Engineering Sciences, specialization in Applied Mathematics Universidad de Chile, Faculty of Physical and Mathematical Sciences.	<i>2023 - 2024</i>
Mathematical Civil Engineering Universidad de Chile, Faculty of Physical and Mathematical Sciences.	<i>2019 - 2024</i>
Bachelor of Engineering Sciences, specialization in Mathematics Universidad de Chile, Faculty of Physical and Mathematical Sciences.	<i>2019 - 2023</i>

SKILLS

- Python: Advanced level.
- SQL: Intermediate level.
- Microsoft Office/Excel: Advanced level.
- English: Level B2.

PROFESSIONAL EXPERIENCE

Teaching Assistant - Ordinary Differential Equations Autumn Semester 2026, under Professor Axel Osses.	<i>2026</i>
Research Assistant in Random Games and Football Analytics - FairPlay joint team between Criteo, ENSAE, and INRIA <i>Visiting PhD Researcher</i> Supervised by Vianney Perchet at FairPlay Team, París Saclay, France.	<i>2025</i>
Research Assistant in Explainability of AI - Inria Saclay <i>Professional Internship 3</i> Supervised by Michele Sébag at Inria Saclay Research Center, France.	<i>2024</i>
Teaching Assistant - Linear Algebra - Universidad de Chile Spring Semester 2023, under Professor Pablo Dartnell.	<i>2025</i>
Research Assistant - Combinatorial Explorable Uncertainty <i>Master's Thesis</i>	<i>2024</i>

Conducted research and wrote the thesis titled *Multiple Matroid Secretary Problem*, supervised by José Soto at Universidad de Chile.

Teaching Assistant - Online Optimization with Stochastic Information and Prophet Inequalities - Universidad de Chile

2024

Spring Semester 2024, under Professor José Correa.

Teaching Assistant - Introduction to Algebra - Universidad de Chile

2022 - Present

Teaching assistant for 9 consecutive semesters:

Autumn 2022, Spring 2022, Summer 2022, Autumn 2023, Spring 2023,
Autumn 2024, Spring 2024, Summer 2024, Autumn 2025, Autumn 2026.

Teaching Assistant - Stochastic Simulation - Universidad de Chile

2023

Spring Semester 2023, under Professor Joaquín Fontbona.

Teaching Assistant - Probability and Statistics - Universidad de Chile

2023 - 2024

Autumn Semesters 2023 and 2024, under Professor Laura Jiménez.

Research Assistant - Seismic Wave Analysis for Seismic Tomography - CMM

2022

Professional Internship 2

Supervised by Professor Joaquín Fontbona at the Center for Mathematical Modeling (CMM), Universidad de Chile.

Teaching Assistant - Introduction to Theoretical Mathematics - EdV Uchile

2021

Investment Advisor

2021

Professional Internship 1

Internship conducted at Servicios Industriales Betelco Spa.

OTHER ACTIVITIES

Outstanding Student Award, Faculty of Physical and Mathematical Sciences, Universidad de Chile
2019 - 2024

Member of the FCFM volleyball team, Universidad de Chile

2019 - Present

Member of the San Felipe city volleyball team

2015 - 2018

Regional volleyball second-place winner (Colegio Alemán, Colegio Portaliano, Club Unión Volley) **2015, 2017, 2018**

Winner of the JOE (2022) and TIF tournaments (2022 and 2023)

ADDITIONAL INFORMATION

Date of Birth: October 14, 2000 **National ID (RUT):** 20.541.338-3

Certifications:

- TOEFL ITP, Level B2.
- Robotics and Renewable Energies (Winter 2017), STEM Winter Camp, USM.
- Electronic Physics (Summer 2017), STEM Summer Camp, USM.
- Motion Engine Energy (Winter 2018), STEM Winter Camp, USM.
- Physics II (2019), Summer School, Universidad de Chile.
